

York River Study Committee
Meeting Minutes

June 27, 2017

Present: Stefan, Cindy, Chuck, Judy, Thom, Jack (voting members)
Jenn, Paul, Jim (non-voting members)

Next meeting: August 22, 2017
Grant House
York, ME

- I. After motion by Judy, seconded by Cindy, the minutes of May 23, 2017 were approved.
- II. There was no motion to reconsider the vote establishing the potential designation boundary of upstream from the 103 Bridge.
- III. Paul reported on the raw data from the Fish Study, conducted between April 3 and June 8, 2017. Results appear encouraging. Full report in fall.
- IV. Historical Survey concluded June 27, 2017. Wrap up and public presentation in September.
- V. York River Study Committee is assisting the MEDEP with water quality sampling.
- VI. Motion by Cindy, seconded by Thom to appropriate \$3,338 for study conducted by Southern Maine Planning and Development Commissions passed unanimously. Build out study and ordinance review to begin in August.
- VII. Received \$60,000 from NPS this week. Will be applied to 2018 FY.
- VIII. Next meeting: August 22, 2017

Agenda Items:

The following question will serve as a catalyst for dialogue regarding our current thinking on designation: Should the Watershed Management Plan and the Recommendation for designation as a Partnership Wild and Scenic River be combined or separate on municipal ballot questions.

Submitted: Chuck Ott
